

# swing INTO SPRING

Karen Walker

BY ELYSE RANART,  
FASHION & STYLE DIRECTOR  
We've seen glimpses of retro looks over the past few seasons, but this season a '60s trend definitely is in full swing. For those who want to take part in the fantasy and fun of this iconic fashion era, there are three interpretations to choose from, illustrated here by three of the original progenitors. But choose your look carefully – there could be a pop (cultural) quiz later.
